Run Events

Choose the run events you want to receive notifications on.

○ **All events**

○ **No events**

○ **Only certain events**

 ☑ **Created**

 Every time a run is created and enters the "Pending" state.

 ☑ **Planning**

 When a run acquires the lock and starts to execute.

 ☑ **Needs Attention**

 Human decision required. When a plan has changes and is not auto-applied, or requires
 a policy override.

 ☐ **Applying**

 After a plan is confirmed or auto-applied.

 ☐ **Completed**

 When the run has completed on a happy path and can't go any further.

 ☐ **Errored**

 If the run has terminated early due to error or cancelation.

[**Create a notification**] [**Cancel**]
